

Dundee Community Schools is helping with the Haiti relief efforts of ISOH/IMPACT. International Services of Hope have set up drop off sites at Cella-Mar Studio of Hair Design and now Dundee Community Schools. ISOH will be collecting the items and sending them to Haiti for aid with the earthquake relief. Drop off Boxes will be in place at each office (foyer) on Monday and the items will be collected weekly until February 5th. This time frame may be extended depending on need. If you or your students would like to help out, the group is looking for items such as: bottled water, personal care items, canned food, cleaning supplies (no glass items or clothing, please). A complete list of items needed can be found at their website www.isohimpact.org. Channel 13 news will be featuring ISOH Friday, January 15, 2010 during the 5:30 broadcast.
