

For the Safety of our students and staff, Dundee Community Schools has changed the entrance procedures for parents, students, and visitors.

When arriving at the school, all parents, students, and visitors must enter through the main entrances near each office. At the Elementary School, enter at the main doors near the office on Adams Street. Parents and visitors should enter at the Middle School at the main doors near the office on Ypsilanti Street; this is the only door that will be open during the school day. In the morning, students may enter at the North Parking Lot door, the canopy door, and the Technology wing door on Ypsilanti Street. At the High School, enter at the main doors near the flag pole/ office on Viking Drive. Students may enter in the morning at the student parking lot entrance on the west side of the building.

All other doors will be locked for safety both in the morning and during the day.

Entering the MS building for School Board Meetings

The following doors will be toggled open for entrance to School Board Meetings:
