Week Review

Math: We are continuing to work on sorting and graphing. The children enjoyed playing a sorting game where they sorted themselves based on different characteristics.

Reading: We read the following stories: Let's Play, Big and Little, Mice Squeak, We Speak and Now I'm Big! Ask your child about their favorite part from one of these stories.

Social Studies: Our word of the week is responsibility. We discussed how we are responsible at school and home.

Science: We started to talk about careers and the children wrote about what they want to be when they grow up. It was fun reading through them together ☺ We are also learning about our 5 senses. The children enjoy visiting the science center and doing the activities there.

Writing: We are continuing to write the letters in the alphabet. We made a class book called "Animal Sounds" and wrote about animals and the sounds they make.

Book Fair

We will be attending the book fair next Tuesday at 12pm. If you would like your child to purchase books from the fair, please send the money in an envelope with your child's name on it.

Parent Information Night

Thanks to those parents who came to the information night last Thursday. It was a big success and there were many good questions asked.

Reader's Bookbags

We will begin using our Reader's Bookbags next week. The children are very excited about reading their own stories and being able to share them with others. They will come home every Thursday and are to be returned the next school day (Friday or Monday). Please keep all the books in the bag so your child can continue to enjoy reading the same books. We will add books to the bags almost every day, so it is important to return the bags to school. Thanks and happy reading ☺

Friday October 2

--Dundee Day: Wear blue and white. GO Vikings ☺

Tuesday October 6

--Book Fair in MS Home Ec Room 12:00pm

Friday October 16

--Pumpkin Patch Trip

Friday October 30

--Halloween Party!

Scrapbook Pages

Thank you to all parents for completing your child's scrapbook page. You are all so creative! The children enjoy looking through the book and seeing all their friends and their own families. This is definitely the book of choice during book time.

Pumpkin Patch Trip

Your child will be bringing home a letter on Monday about our Pumpkin Patch trip. This is an educational field trip which is a great extension to our unit on pumpkins. The children will be going on Friday October 16. Parents & guests are encouraged not to go since this is an educational field trip. The children will be allowed to bring guests to our Zoo trip in May. Thanks!
