**Thank you for recycling!**

#### Plastic Recycling

Plastic recycling for #1 and #2 bottles can be done in the elementary school cafeteria. If you are not able to recycle at home, please consider sending your #1 and #2 bottles to school. Our goal is to recycle 100 garbage bags of bottles by the end of the year.

#### Paper Recycling

We accept newspaper, books, magazines, telephone books, and paper (with or without staples). No cardboard or cereal boxes please. For your convenience we have a semi trailer located behind the elementary school, by the football field. We are working on filling our third semi trailer full of recycled paper products.

#### Need Health Insurance?

**MIChild** is a low-cost health coverage program for children under 19.

**Healthy Kids** is a free health coverage program for Children under 19 and pregnant women of any age.

Apply on line <https://eform.state.mi.us/michild/intro1.htm>
